I am so excited for this next school year and all the possibilities it holds for our students. Our youth are our most important population, and I see the school system as one of the most integral, if not most integral, organizations in any community. Now, they are finally able to be fully open and serve our youth as they have always intended!

Each household I serve is important to me, and I have visited those in my district door-to-door while accompanied by City of Hobbs and Hobbs Municipal Schools (HMS) employees. We go as a team, and it's a great opportunity to visit with residents in their homes and have candid conversations about what they think are missing or could be improved regarding City and School services. We all want to serve the best we can, and these visits help us do that. These conversations also provide something for us as a team to discuss and collaborate on in the future. For instance, one concern in this year's visits was student safety, and because of the experts present like Hobbs Police Chief Fons, we were able to share with residents the different strategies and resources in place. There are many new or improved safety practices in place now at Hobbs schools, and as a Hobbs School Board Member, I have witnessed firsthand how uniquely positive and beneficial this partnership has been with the Hobbs Police Department and with what ease we are able to carry it on.

There are many amenities available for our constituents, including daily programs and activities at the CORE; a skatepark, basketball courts, art classes, rock wall, and more at the Hobbs Teen Center; and even employment and internship opportunities where young teens can learn skills and responsibilities to forever carry with them in future professions. It is my hope that our youth take advantage of these options and feel supported and cared for in our community.

It's my pleasure to serve in my 33rd year as City Commissioner for District 3 of Hobbs and to have completed my 16th year of visiting door-to-door alongside some of my favorite Schools and City employees. I am also thankful to these employees for dedicating their time and efforts on over 100-degree days in the middle of Summer to walk with me and learn more about those we live with and how we can serve. With the beginning of the school year, I wish all of our education professionals and students the best of luck and well wishes for a year full of opportunities and growth!

Joseph Calderón
City Commissioner Dist. 4

CITY OF 
Hobbs Commissioners
NEW MEXICO

Greetings Residents and Visitors of Hobbs,

It's my pleasure to write to you at the start of such an exciting time of year. Relationships grow and change in different ways every year, and mine are no different. It is my hope you are able to be with many of your family and friends this holiday season. Always take advantage of an opportunity to see one another and show how much you care and appreciate the relationship.

The City of Hobbs provides many chances to enjoy the company of those around you, support local businesses, and get involved. Whether it's in your own neighborhood or on the other side of the County, we as part of Lea County are here to support you with lots of things to do this holiday season. These next few months will bring parades, Hobbs' Fifth Annual Tree Lighting Ceremony, plenty of "pop-up" shopping events, and special events to find great food by local cooks and favorite vendors! With all these events also comes the need for volunteers. Non-profits all over the area are hoping for people just like you to sign up with them. There are toys to be donated for those unable to purchase for their own, backpacks to fill with food and snacks for children who don't always have enough food during Christmas break, food to be served at local soup kitchens, as well as parades, painting, and so much more!

It will be a season like no other with all the new programs available for our own youth, which will be extremely exciting to see what they produce! CTECH students are doing well and enjoying their new opportunities, Hobbs will have two new healthcare facilities open and operating by the end of September, and I'm sure you'll run into some City of Hobbs employees at these events and activities as I'm proud to say they are a very involved and active group.

We look forward to celebrating and shopping with you this holiday season! Be sure to get involved and see what you can do for your hometown to make it the best place to live, work, and play! Thank you for allowing me to be Mayor of this great community for 10 years!

Please remember to always reach out to your City Commissioner, City Staff, or me with any concerns or questions.

Sincerely,

Sam D. Cobb - Mayor

**OPEN DAILY
6:00 A.M. - 11:00 P.M.**

Located on the east side of Del Norte Park, the dog park is designed so that dogs can safely exercise and play off-leash in a controlled environment under the supervision of their owners. Off-leash dog areas, or dog parks, provide a community setting in which people can gather and socialize and where they can observe the interaction of groups of dogs at play. Dog parks allow owners and their dogs to spend time together and offer dogs a space for play and companionship with other dogs.

DOG PARK USAGE GUIDELINES

 - Roster of coaches and team members that are covered by this insurance
- **Upon arrival for the reserved practice time, teams must also provide the following:**

 - Only those covered by insurance and with proof of identification will be allowed to practice on the field. All others will remain in the bleachers/seating area.
- Teams must put mats in place in the batters box/home plate area, and in the pitching area to prevent wear and tear on the fields. The City of Hobbs will provide mats.
- The pitching mound on the Junior Varsity Baseball Field will not be moved for practices. Teams may adjust batters boxes/home plate area accordingly to their age group and use mats.

- Practice times will be designated by the Recreation Department based on time of year, league and tournament schedules. League play and tournaments will always take precedence over practices. Previously reserved practices may have to be postponed due to changes in league games or tournament schedules.
- **Reservations will be accepted as follows:**
 - Teams may reserve times starting two weeks from the day contact is made with the Recreation Department Office. **(see examples below)**
 - Youth teams may then reserve fields up to three weeks in advance. **(see examples below)**
 - Adult teams may reserve fields up to two weeks in advance. **(see examples below)**
 - The deadline for scheduling any practice will be two weeks before the requested date so that staff may be scheduled accordingly.
 - Teams may make reservations by emailing Norma Arroyo, Recreation Administrative Assistant, narroyo@hobbsnm.org. No reservations will be taken over the phone or via fax. Practice times will be confirmed, in advance. Responses to emails will occur during normal business hours.
