Greetings!

I have immensely enjoyed serving the Citizens of Hobbs for the past 4 years as your Hobbs City Commissioner for District 2. I look forward to continuing to serve my neighbors and the community as we all get back in the swing of things. We have had a tough couple of years, and everyone is ready to return to a much more normal routine. I look forward to a bright and prosperous future for our community. The City of Hobbs has some great events planned this summer, and "The Guide" will be an informative key to open the door to an exciting and fun summer in Hobbs, America.

I invite YOU to the dedication of the Hobbs Veterans Memorial at Hobbs Army Airfield on Memorial Day, May 30th, at 1 P.M. Join your neighbors, friends, family, and local Veterans of the Armed Forces of the United States of America for the celebration of the opening of the Veterans Memorial.

The newly constructed Veterans Memorial features a small parade field, picnic shelters, circle of honor featuring war stones for major conflicts, and two absolutely stunning static displays. The Memorial is home to a supersonic fighter-bomber F-105D Thunder Chief. When in service, this aircraft weighed 50,000 pounds and could fly at MACH 2 (1,532 mph) while carrying a massive bomb load into enemy territory. The F-105 has undergone a complete restoration and looks like it just rolled off the assembly line in Texas in 1961. We will have Ret. Air Force Colonel D.R. Bales at the ceremony to tell us about how he flew this plane in combat. I encourage everyone to bring your families to celebrate our nation and this great aircraft that now calls Hobbs its home. The other amazing display is the UH-1 "Huey". One of the most recognizable military vehicles on the planet, this Huey has been fully restored and is an excellent example of the famous U.S. Army workhorse. Come and get up close to this amazing historic helicopter. I urge everyone to come and join me in honoring the brave men and women who served our nation on Memorial Day at the Veterans Memorial dedication.

This summer will be full of outdoor fun between events at the CORE, Rockwind Community Links, our annual 4th of July Celebration, and opening of the splash pads and parks. Summer youth programs are returning to full swing. You will find many opportunities including youth sports, fishing, summer recess, movies under the stars, aquatics programs, and many activities as this guide will detail.

Hobbs is the city where we live, learn, work, and play. I look forward to working with the citizens and community leaders to ensure that everyone benefits from the great opportunities we have right here in Hobbs. We have a lot to be thankful for and a lot to do this summer. I am proud of the slate of activities our city staff has put together to give everyone a reason to get out and be active this summer. Let's get outside and play!

Chris Mills

City Commissioner Dist. 2

To the Residents of Hobbs and Lea County,

This community is truly a community that has undergone many positive changes, and it has been my honor to serve as your Mayor during the last 10 years and fortunate to have been actively involved in so many of these changes. We have endured many ups and downs together with the historical falls and rises in the price of oil, and a global pandemic. Now, we are enjoying new and improved programs from the City, and new facilities and amenities that have really started to establish Hobbs as the heart of the Permian Basin! At the beginning of May, CTECH at Hobbs High School opened ready to train and educate our youth in some of the most desirable , highly needed trades! Thanks to our community leadership for years of planning, designing, and building this facility. High school-aged

students in our school system will now have access to training in culinary, carpentry, welding, IT (information technology), diesel mechanics, and several more career paths. My hope for growth with this project and our community is that the population diversifies even more in skills, available services, and that awareness of these improvements spread far and wide.

Additionally, those already in professional trades will be able to travel in and out of Hobbs freely and conveniently with the renewal of the City's commitment to the FlyHobbs campaign. This means that through the monetary subsidies we provide this will enable Lea Regional Airport to continue flights into and from Denver and Houston. This not only creates a travel opportunity for residents but provides an opportunity for the business sector as well. The easier executives and other decision makers can access our community, the easier they can attend meetings and conventions and this allows our citizens to make introductions, so Hobbs can further assert itself as the energy hub.

As always, there are many updates about Hobbs. Our people continue to thrive and grow, making the jobs of our organization that much more exciting and challenging. Speaking of, the opening of Covenant Hospital is quickly approaching and expected to be announced for some time in September, so be sure to follow their social media pages for updates and to attend! This will be yet another outstanding amenity to improve the services provided in our community. Again, thank you for allowing me to serve as Mayor of this great community and be part of so much development.

Please remember to always reach out to your City Commissioner, City Staff, or me with any concerns or questions.

Sincerely,

Sam D. Cobb - Mayor

Greetings,

Welcome to the City of Hobbs' quality of life conveniences. This community is your place for fun, education and resources through these wild and turbulent times. We are committed to ensuring that our resilient community members have resources to maintain healthy lives, grow meaningful relationships and continue to have extraordinary experiences. As always, we are here to serve you! Please assure we will update and create new ideas to keep you and your loved ones healthy, entertained and informed.

Warmest Regards,

Manny Gomez

HOBBS DOG PARK

**CITY OF HOBBS
DOG PARK**

**OPEN DAILY
6:00 A.M. - 11:00 P.M.**

Located on the east side of Del Norte Park, the dog park is designed so that dogs can safely exercise and play off-leash in a controlled environment under the supervision of their owners. Off-leash dog areas, or dog parks, provide a community setting in which people can gather and socialize and where they can observe the interaction of groups of dogs at play. Dog parks allow owners and their dogs to spend time together and offer dogs a space for play and companionship with other dogs.

DOG PARK USAGE GUIDELINES

In order to provide a safe and friendly environment, the City of Hobbs urges all patrons to read and observe the following rules that are in accordance with established City ordinances:

1. The dog park is for dogs, their handlers and those accompanying them. No other use is permitted.
2. All dogs must be legally licensed and vaccinated and shall wear a visible dog license and rabies tag. (Ordinance 6.04.210)
3. Dogs less than 4 months of age and female dogs that are in heat are prohibited.
4. Dogs must be on a leash when entering or exiting the dog park.
5. Dogs must be under the control of their handler and in view of their handler at all times.
6. Spiked collars are prohibited.
7. Children 12 years and under must be accompanied by an adult.
8. Handlers must be at least 16 years of age.

12. Food and drinks in glass containers are prohibited; treats are allowed for training purposes only.

14. No animals, other than dogs, shall be permitted in the dog park area.
15. Handlers are responsible for any injuries caused by the dog(s) under their control.
16. Users of the facility do so at their own risk. The City of Hobbs shall not be liable for any injury or damage caused by any dog in the dog park area.

 - Roster of coaches and team members that are covered by this insurance
- **Upon arrival for the reserved practice time, teams must also provide the following:**

 - Only those covered by insurance and with proof of identification will be allowed to practice on the field. All others will remain in the bleachers/seating area.
- Teams must put mats in place in the batters box/home plate area, and in the pitching area to prevent wear and tear on the fields. The City of Hobbs will provide mats.
- The pitching mound on the Junior Varsity Baseball Field will not be moved for practices. Teams may adjust batters boxes/home plate area accordingly to their age group and use mats.

- Practice times will be designated by the Recreation Department based on time of year, league and tournament schedules. League play and tournaments will always take precedence over practices. Previously reserved practices may have to be postponed due to changes in league games or tournament schedules.
- **Reservations will be accepted as follows:**
 - Teams may reserve times starting two weeks from the day contact is made with the Recreation Department Office. **(see examples below)**
 - Youth teams may then reserve fields up to three weeks in advance. **(see examples below)**
 - Adult teams may reserve fields up to two weeks in advance. **(see examples below)**
 - The deadline for scheduling any practice will be two weeks before the requested date so that staff may be scheduled accordingly.
 - Teams may make reservations by emailing Norma Arroyo, Recreation Administrative Assistant, narroyo@hobbsnm.org. No reservations will be taken over the phone or via fax. Practice times will be confirmed, in advance. Responses to emails will occur during normal business hours.

 - These fees will cover the cost of staffing, maintenance of fields and restrooms, and light usage.
